Who we are...

The Diabetes Research & Wellness Foundation is a national registered charity (no. 1070607) funding medical research and providing information and educational support to people living with, or at risk of, diabetes.

What we do...

'Staying well until a cure is found...' Whilst our ultimate aim is to find a cure, we recognise that the people living with this long-term condition need to be pro-active in their self-care - and that can be a daunting prospect!

DRWF provides information, education, guidance and support to encourage improved understanding; good self-management skills and the opportunity to network with people experiencing similar situations, as it's always good to know you're not alone!

The Diabetes Wellness Network...

This is the name given to our growing membership. Its purpose is to bring people with diabetes closer through the sharing of knowledge and experience, as well as providing important health advice. DRWF has been awarded the 'Information Standard' accreditation, developed by the Department of Health, which certifies its diabetes information as being trustworthy and reliable for people with diabetes.

1 Years Subscription to the Network includes:

- 12 monthly issues of the Diabetes Wellness News – an 8-page newsletter packed with articles on all aspects of diabetes healthcare, research and news which is Information Standard accredited;
- Quarterly 'Good Health' Pocket Diaries – an essential tool in establishing good self-management skills, encouraging the recording of important daily information such as blood glucose monitoring, medication, diet and exercise etc;
- Discounted attendance of the Diabetes Wellness events – early notification of the full annual programme of Wellness Days, Workshops, residential Weekends and 'Active with Diabetes' Walking Holiday

In addition to this, DRWF offers:

- FREE Diabetes Awareness Necklaces
- FREE diabetes information leaflets which are Information Standard accredited
- FREE Q&A written response service
- SPECIAL OFFERS on many diabetes-related publications

If you would like to join the Diabetes Wellness Network:

- Complete this form and return with your payment. Please make cheques payable to 'DRWF'
- Call on **02392 636131** and give your credit/debit card payment over the phone
- Or, join online at www.drwf.org.uk and get a 25% discount on the cost of your first year's membership

What people say about us...

'Thank you for the information leaflets, they were very helpful, and the Diabetes Wellness newsletter. It would have been a struggle to understand how to manage my type 2 diabetes without your informative assistance'. R. Marks, Carmarthenshire

'Congratulations on a well written and relevant (both to medical workers and individuals who have diabetes) publication'. B. Samson, Practice Nurse, Kent

Help us to help you...

Donations, even small gifts of just a few pounds, can help sustain our existing research commitments and ensure that potentially viable applications are not turned away, through lack of funds.

Your support is of great importance to us

THANK YOU!
