Brew some fun, stir in kindness, and make a difference!

Thank you so much for deciding to host a DRWF Coffee Morning!

Your support helps us continue assisting people living with diabetes across the UK, whoever they are, wherever they are.

To make it easy, we've put together a handy **host pack** with **bunting**, **posters**, and our '**spot the teabag**' game to help your coffee morning run smoothly. No contribution is too small and every pound raised helps fund life-changing support and research.

You can choose a date that works for you – that's the beauty of this campaign!

It's worth noting, though, that **World Diabetes Day** falls on **14 November**, with this year's theme: *Diabetes and Wellbeing*. This focuses on ensuring everyone with diabetes can access the care and support they need to live well. We invite you to host your coffee morning around this date if you can.

Donation Timing: Make Every Pound magically double!

Please hold off paying in your fundraising until our **Big Give campaign** opens online between **2nd – 9th December**. During this period, every pound donated will be **doubled through their matched funding programme** – meaning your efforts will go twice as far, but you still donate the same!

→ Please see our '**how to pay in your money**' page for information on how to double your donation.

Hosting a coffee morning is simple and fun. Invite friends, family, staff, customers, or local supporters to enjoy a cuppa, share some cake, or just have a chat while raising funds for DRWF. Whether through donations, bake sales, or activities – every contribution counts.

Please share your photos, stories, and fundraising total with us via email at **fundraising@drwf.org.uk** or by calling **02392 637808** – together, we can celebrate the impact of your generosity.

Let's have fun, raise a cuppa, and make a real difference! Thank you!

Thank you

How to Pay Your Money In

Make every pound magically double through our matched funding programme.

Hold on to your funds until our Big Give Campaign opens. Every pound donated to this campaign will automatically be doubled through matched funding – your fundraising goes twice as far!

When should I make my donation?

We would ask that your funds are paid between **2nd – 9th December** to qualify for matched funding, at zero extra cost to you! It's a no brainer.

How to Pay In Online?

- Visit our Big Give donation page: <http://bit.ly/3WxGGga> or scan our QR code
- Donate and follow the simple online steps.
- Celebrate. **You've just doubled your impact!**

Prefer **not** to double your donation?

You can still donate in the normal way at any time, but donations made outside the Big Give period will not be matched.
